Dear Mr. Clark:

Earlier this year, Mr. Ray Rinaldi mentioned, in his column in The Scrantonian, that you stopped into his office in Carbondale and that you are very well informed on the D&H.

I am writing you this letter to ask you if you would like to participate in a seminar/round-table discussion on railroads in Carbondale and in northeastern Pennsylvania--of the past and of the present. This seminar will be a part of the series of educational and historical activities that will be sponsored by the Committee to Restore Carbondale City Hall during Carbondale's Pioneer Days, August 23-28, 1982. We have not yet selected the date, but we do know that the seminar will take place during the week of August 23-28, either between 2 and 4 in the afternoon or between 7 and 9 in the evening. If it will be possible for you to participate in this seminar, is there one day during the week that is most convenient for you? Afternoon? Evening?

As soon as I learn your preferences for day and time, as well as the preferences of the other persons who have been invited to participate in this railroad seminar (John V. Buberniak, John Kiefer, Robert J. Tomaine, S. Robert Powell, and others), I will announce the specific time that this seminar will take place.

I look forward to hearing from you.

Sincerely,

S. Robert Powell
